To Whom It May Concern,

I am writing to recommend Ethan Cheah for any future opportunities. During his time with Turnkey Consulting Malaysia Sdn Bhd as a Sales Data Analyst from May 2024 to February 2025, Ethan demonstrated exceptional skills and dedication in his role.

As a key member of our team, Ethan had the privilege of analysing and optimising sales data to drive business growth using our CRM platform. Some of his key contributions include:

- Developing dashboards in collaboration with internal stakeholders.
- Maintaining and updating existing dashboards to ensure accuracy and relevance.
- Identifying and closing gaps in data accuracy and outdated deals.
- Enforcing sales booking rules to streamline processes.
- Resolving technical issues related to HubSpot internally.

These contributions have significantly improved our operational efficiency and data integrity. Ethan's analytical skills, attention to detail, and ability to work effectively across functional teams globally have been invaluable to our organisation.

He consistently demonstrated a strong work ethic and a collaborative spirit, making him a respected and valued member of our team. I am confident that Ethan will bring the same level of dedication and excellence to any future role he pursues.

Please feel free to contact me if you require any further information.

Thank you.

Yours sincerely,
